Visit HDB’s showflats at the My Nice Home Gallery, or view our virtual showflats at http://www.hdb.gov.sg/mynicehomegallery, for design inspiration and ideas on space planning for your new home.

Located at HDB Hub in Toa Payoh, My Nice Home Gallery showcases new design features and provides renovation tips for homeowners. These design ideas will help you to transform your home into a cozy retreat.
2-ROOM FLEXI (36 sqm)
The Good Old Days

The theme captures an elderly couple’s memories of their younger days. The design is created through a mix of modern design elements and vintage accents, to reflect nostalgia with a tinge of fun.

2-ROOM FLEXI (45 sqm)
Resort Bliss

A well-travelled newly-wed couple created a resort-inspired home with warm and welcoming touches. The sense of space is accentuated using light woody shades, textures and plenty of greenery.
3-ROOM (65 sqm)
Industrial Flair

Chic and quintessential industrial accents create a vibrant and playful space for the young family of three, and add personality to the design.

4-ROOM (90 sqm)
Minimalist

Achieve a clutter-free look with clean and functional built-in storage. Suited for a modern family of four, the light wood and white palette allows the home to exude a timeless elegance.

5-ROOM (110 sqm)
A Classic Ensemble

This spacious 5-room flat for a multi-generation family is designed with a touch of modern Victorian charm. The classic looking interior design theme is enhanced with modern smart home items to assist the family in their day-to-day tasks.
