An Integrated Lifestyle

At Clementi Crest, you can experience a vibrant community in the heart of Clementi Town Centre, where various amenities for recreation, shopping and lifestyle needs are within easy reach.

Besides facilities like fitness corners and children's playgrounds, the multi-storey car park will have a roof garden which contains a community garden, trellis and seats. The first storey will house a childcare centre and the precinct pavillion. There are covered linkways to provide barrier-free connections to and from the town centre.
