## Desirable Homes

The flats at Tampines GreenVerge will come with floor finishes in the kitchen, household shelter, service yard and bathrooms. Wall tiles will also be provided in the kitchen and bathrooms. Some flats will come with a balcony in the living room or master bedroom.

The flats also have Universal Design features such as wider corridors and ramps instead of steps to allow for ageing in place.

# Eco-Friendly Living

To encourage a 'green' lifestyle, the development is designed with several eco-friendly features such as separate chutes that are provided for recyclable wastes, eco-pedestals in bathrooms and bicycle stands.

# White Spaces

Under the 'White Spaces' initiative, HDB has set aside common areas within your new precinct, without any pre-conceived designs, that your neighbours and you can collectively customise for community activities.

Participate in the design engagements carried out by the People's Association and your Grassroots Leaders, to transform these spaces into vibrant community spots for all to enjoy!

Start by sharing some suggestions and indicating your interest in participating in upcoming design engagements, via the MyNiceHome Roadshow quiz\*.

Reimagine your white spaces!
