WOODLANDS TOWN

Design Themes

Town Theme: Wooded

- Concept and design considerations for Woodlands are inspired by nature and woods
- Based on the prevalent characteristics, the town is divided into 5 areas with specific themes

Neighbourhood Theme: Wellness

- A wellness sanctuary with both active and passive aspects
- A conducive environment where residents can rest, relax, and enjoy health and wellness-oriented activities
- An overall sense of tranquil greenery

WOODGROVE ASCENT

Wide open spaces

- The layout recalls the open field that once sits on the site.
- Hence this project is designed wide open spaces where residents can rest, relax, and enjoy health and wellness-oriented activities.

WOODGROVE ASCENT

Amenities for all

- A key central walkway runs through the site and links up all the amenities for easy way-finding.
- Unique calorie staircases with extended landing for exercise
