

LIVING IN TENGAH

Tengah is the first HDB town planned using smart technologies town-wide from the outset. The designs of the housing districts will focus on green, sustainable features and community-centric spaces.

登加是首个一开始就采用智能科技规划的组屋区市镇。住宅区的设计将以绿色、可持续发展的特色和以社区空间为中心。

Tengah adalah bandar HDB pertama yang dirancang menggunakan teknologi pintar di seluruh bandar dari awal. Reka bentuk kawasan perumahan akan memberi tumpuan kepada kawasan hijau, ciri-ciri mampan dan ruang berpusatkan masyarakat.
