Phased Completion of Plantation District

New Transport Links

The newly-opened Plantation Crescent will allow vehicles to travel between Bukit Batok Road and Tengah Boulevard. Bus services 870 and 992 have also been extended to call at two new bus stops along Tengah Boulevard, at Blk 231B (Bus stop 40391) opposite Plantation Village, and at Blk 132B (Bus stop 40409) along Plantation Grange. HDB had also commissioned a new Signalised Pedestrian Crossing along Tengah Boulevard in Jan 2024. These improvements will enhance accessibility within Plantation District.

In the meantime, HDB has worked with commercial partners to provide interim services for residents' convenience, which include vending machines selling hot food and drinks, as well as a mobile grocery truck.

More Amenities & Facilities

A suite of new amenities and facilities will open progressively across Tengah from 2Q 2024. These include four new preschools within Plantation District, as well as themed children's playgrounds, adult and elderly fitness stations, and Residents' Network Centres.
