About Garden District

Garden District is framed by Tengah Pond and Central Park. This picturesque setting will be complemented by the garden-themed farmway, which encourages healthy and active living. Themed playgrounds inspired by nature or motifs such as flowers and garden creatures strengthen the visual identity of Garden District and encourage imaginative play. Green markers at key entry points along the Garden District, such as botanical arbours framed with flowering creepers, provide shade and visual respite from the urban landscape.

Eco-Friendly Living

Tengah is also the first HDB town planned with town-wide smart technologies from the outset. Garden Vines @ Tengah integrates smart technology in its design, so that residents can enjoy a quality living environment. The smart technology includes Smart-Enabled homes with provisions to support easy installation of smart systems, Smart Lighting in common areas to reduce energy usage, and Smart Pneumatic Waste Conveyance System for cleaner and fuss-free waste disposal.

To encourage a green and sustainable lifestyle, Garden Vines @ Tengah is designed with several eco-friendly features. These include separate chutes for recyclable waste; regenerative lifts and smart lighting in common areas to reduce energy consumption; bicycle stands to encourage cycling as an environmentally friendly form of transport; parking spaces to facilitate future provision of EV charging; and Active, Beautiful, Clean (ABC) Waters design features to clean rainwater and beautify the landscapes.

Residents can subscribe to have air conditioning provided from a centralised cooling system which is the first of its kind for public housing in Singapore. The highly energy-efficient chillers will cool each household and do away with the need to install and maintain outdoor condensing units on the air-conditioner ledge, thereby, enjoying cost savings while contributing to a sustainable lifestyle in this eco-friendly district. Residents may find out more from SP Group at tengahcooling@spgroup.com.sg.
