Families can also send their young children to the preschool which is conveniently located within the development. A Residents' Network Centre and HDB e-Lobby are also located in the development to better serve the community.

# Eco-Friendly Living

To encourage a “green” lifestyle, Towner Crest is designed with several eco-friendly features. These include separate chutes for recyclable waste; regenerative lifts and smart lighting in common areas to reduce energy consumption; bicycle stands to encourage cycling as an environmentally friendly form of transport; parking spaces to facilitate car-sharing schemes; as well as ABC Waters design features to clean rainwater and beautify the landscapes.
